Lux Builders did an outstanding job on our small bathroom remodel. From the very first meeting, Paul (Sagi) really came across as friendly, professional, and committed to the quality of his work. He and his crew started and finished on time (critical for a single bathroom house :-)).

While the project slightly exceeded our expected budget, it was only because of unforeseen "old-house" issues, which were dealt with quickly and efficiently. Icing on the cake was the whole-house cleaning service that was included as part of the package. All in all, we couldn't be happier, & would highly recommend Paul & his crew!
